

## **Volker Buschka**

Chief Financial Officer – Executive Vice President Finance and Administration  
Bosch Engineering GmbH

Volker Buschka has been a member of the Board of Management of Bosch Engineering GmbH, a wholly owned subsidiary of Robert Bosch GmbH, since 2021.

Bosch Engineering GmbH offers development services for powertrains, safety and convenience systems, and electrical and electronic systems based on Bosch's proven large-scale series production technology and is a systems development partner of the automotive industry since 1999.

In his function as Chief Financial Officer, he is responsible for worldwide controlling, finance, IT, data protection and human resources.

Volker Buschka was born in Rheda-Wiedenbrück on October 22, 1970. He studied Business Administration with focus on Controlling and Finance at the Duale Hochschule Stuttgart and passed the diploma exam in 1994.
