

June 2019

Dr. PETER LUDOLF VON WARTENBERG

Chief Financial Officer – Executive Vice President Finance and Administration
Bosch Engineering GmbH

Dr. Peter von Wartenberg has been a member of the Board of Management of Bosch Engineering GmbH, a wholly owned subsidiary of Robert Bosch GmbH, since 2019.

Bosch Engineering GmbH offers development services for powertrains, safety and convenience systems, and electrical and electronic systems based on Bosch's proven large-scale series production technology and is a systems development partner of the automotive industry since 1999.

In his function as Chief Financial Officer, he is responsible for worldwide controlling, finance, IT, data protection and human resources. Bosch Engineering GmbH also includes ITK Engineering GmbH and the Commercial Vehicle and Off-Road division of Bosch, for which he also has commercial management responsibility.

Dr. Peter von Wartenberg was born in Hanover, Germany, on 17 March 1969. After graduating in business administration at the Otto Friedrich University of Bamberg, he joined the Bosch Group in 1996. In parallel to his first years at Bosch he studied (PhD) at the Ernst-Moritz-Arndt University in Greifswald and received the title Dr. rer. pol. from the Faculty of Law and Economics in 2001.
